THE POWER OF BRAND

A brand is a promise, a pact between creator and consumer.

Mosaic was conceived to honor and enhance this trust between discerning guests and luxury amenity products and properties.

We understand a proven luxury brand's immense but subtle power to add value by engaging a guest's heart and imagination.

Such a brand strengthens confidence and deepens commitment.

You can trust our artfully designed dispensers to protect and enhance the privileged position that your brand enjoys among guests who expect nothing less than the best.

THE FREEDOM OF CUSTOMIZATION

Artful solutions recognize life is infinitely variable so they incorporate adaptability in both form and function. Designed in North America for the world, Mosaic was created to live within any luxury bathroom environment.

Mosaic is exceptionally adaptable. We can customize Mosaic with a host of options for combining colors, textures or etching to match your brand or décor. This inherent flexibility allows us to fashion Mosaic to express any ambiance, whether your style is classic or rustic elegance, eco-chic, traditional, or contemporary.

THE EVOLUTION OF SUSTAINABLE LUXURY

We are all responsible for the health of the environment in everything we do. Going green has become not only a way of life, but the preferred way of doing business.

Luxury hotels and amenity brands led the way in setting the highest of standards. Mosaic is the first to provide an amenity dispensing solution delivering the style and sustainable performance that savvy travelers increasingly demand.

Mosaic enables your property and product to lead the evolution of sustainable luxury.

THE ECONOMY OF SUSTAINABILITY

Mosaic's refillable dispensers make economic sense because they:

ENABLE SAVINGS OF UP TO 50 PERCENT OVER INDIVIDUALLY PACKAGED AMENITIES

ELIMINATE WASTE AND RECYCLING EXPENSES

REDUCE HOUSEKEEPING TIME, WHICH GENERATES SUBSTANTIAL SAVINGS

Mosaic does away with compromise. It elevates amenity dispensers to hospitality's highest echelon while ushering a new era of responsible, affordable luxury. When you choose Mosaic you gain significant financial, environmental, and operational advantages.

WALL MOUNT dispensers provide convenient in-shower delivery of shampoo, conditioner and body wash.

VANITY MOUNT companion countertop dispensers keep hand wash and lotion within easy reach.
